Re: *Petition to Establish Generic Docket to Consider Amendments to
Interconnection Agreements Resulting from Changes of Law*
Docket No. 04-00381

Dear Chairman Miller:

This is to notify the Authority that BellSouth now has interconnection agreements containing TRO compliant commingling language with 86 CLECs that have expressed an interest in doing business in Tennessee. Attachment A is a list of those CLECs. Attachment B is a list of CLECs with agreements containing TRO compliant commingling language for 28 CLECs currently certified by the Authority to provide local service in Tennessee. Consistent with the FCC's Order, the commingling language agreed to by these CLECs does not resurrect the UNE-P regime under the guise of Section 271 of the federal act.

A copy of this letter has been provided to counsel of record.

Very truly yours,

Guy M. Hicks
